

Easy Program Comparison Sheet for Study Abroad

If you are considering multiple programs for your Study Abroad experience, use this chart to compare what each program does or does not include. Some programs include more in their program price than others. Even if two programs are offered in the same location, chances are one of them is going to be a better fit for you.

Program Name			
Location			
University			
How much does it cost?			
What courses are offered? Are they in my major?			
Is there a language requirement?			
What kind of housing is offered?			
What is the meal plan, and how many are included?			
Is Travel Insurance included?			
Are excursions offered? How many and to where?			
Is a cell phone included?			
Is internet access included?			
Is my airfare, travel to destination and other travel expenses included?			
Are local public transportation costs included?			
Extras included in cost?			
Why <i>this</i> program?
