

What is the CERT Program?

The CERT program trains participants on basic emergency response processes, including personal preparedness, fire safety, and basic first aid.

CERT volunteers may be called upon by their host institution to engage during an emergency activation or to prepare for an event.

Who can join the CERT Program ?

EVERYONE !

The CERT program is open to all students, staff, and faculty that want to make a difference in their community.

Units / Courses

Unit 1 - Disaster Preparedness

Unit 2 - CERT Organization

Unit 3 - Disaster Medical Operations Part 1

Unit 4 - Disaster Medical Operations Part 2

Unit 5 - Disaster Psychology

Unit 6 - Fire & Safety and Utility Controls

Unit 7 - Light Search and Rescue

Unit 8 - Terrorism

Commitment

There is a limited training opportunity of 16 hours that CERT members must complete. There is no requirement for further participation unless you choose to volunteer.

COF Community

The CERT program is an additional opportunity to enhance collaboration for member institutions and build upon our consortium strengths

Students / Staff / Faculty

Meet members from across the COF who are also interested in community response.

(617) 879-7138

CERT PROGRAM

Community. Emergency. Response. Team.

Why Join ?

Credentials

The CERT certification is a national accreditation that can be used for local, state and corporately run CERT programs across the country.

Preparedness

Members are prepared for emergency response activities, including fire safety, basic first aid, and severe weather preparedness.

Career Building

Boost career prospects and future opportunities in a growing field of emergency management and public health. The CERT certificate will give you a competitive advantage.

Community

Meet members that include students, staff, and faculty of the COF. Instructors will be members of COF, Boston EMT / Fire / Police.
